Oakwood College is an accredited co-educational liberal arts college operated near Huntsville, Alabama, by the General Conference of SDA's to serve the black constituency of the denomination.

Its beginning may be traced to 1895, when the General Conference Association sent a three-man educational committee to the South to select and purchase property (not exceeding \$8,000.00) for a school for black youth. These were G.A. Irwin, director of the southern district of the General Conference; O.A. Olsen, the president of the General Conference; and Harmon Lindsay who had assisted in the founding of Battle Creek College.

On the way southward they stopped at the home of L. Dyo Chambers in Chattanooga, Tennessee (where they met Anna Knight, one whose name was later connected with the education of Negroes in the South for more than half a century), and then went on to Alabama. In Huntsville they learned of a 360-acre farm, about five miles northwest of the town, which they inspected. After the committee made its report, Olsen and Irwin returned to Huntsville to negotiate for the land.

With four buildings and a property valued at \$10,157.57, with four teachers and 16 students (eight women and eight men) Oakwood Industrial School opened its doors on November 16, 1896. The faculty consisted of H.S. Shaw, A.F. Hughes, Hattie Andre, and the principal.

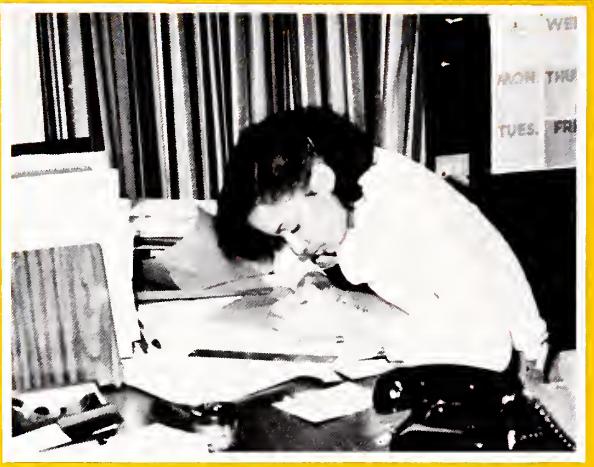

Oakwood operated for two decades on the secondary level under the names Oakwood Industrial School, Huntsville Training School, and Oakwood Manual Training School. Then in April, 1917, the North American Division Council met on Oakwood's campus and elevated Oakwood Manual Training School to the status of Oakwood Junior College. In 1918 the first two students completed the junior college course.

Before the expiration of the 1930's, administrators had explored the possibilities of raising Oakwood Junior College to the Senior level. By 1943 the academic foundation and faculty qualifications were deemed adequate for the board to vote senior college status. In 1945 the first Baccalaureate degrees were conferred by J.L. Moran, first black president of the college.

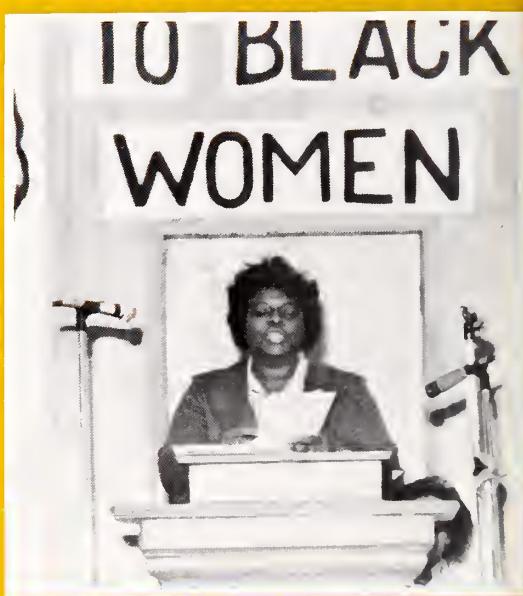

It is significant that Ellen G. White said in a speech to the students and teachers at Oakwood on June 21, 1904, that "it was God's purpose that the school should be placed here (near Huntsville)." "He has bestowed on the colored race some of the best and highest talents . . . You have precious opportunities here (in this school)."

WHY

OAKWOOD COLLEGE
IS THE
PLACE WHERE
LOVELINESS
KEEPS HOUSE

OAKWOOD?

Signifying the philosophy of education at Oakwood College are the words found in the book *EDUCATION*, "... true education means more than the pursuit of a certain course of study. It means more than the preparation for the life that now is. It has to do with the whole being ... It is the harmonious development of the physical, the mental, and the spiritual powers. It prepares the student for the joy of service in this world, and for the higher joy of wider service in the world to come."

To achieve the objective of reflecting the long-lost image of Divinity, the student must receive a training that places the proper emphasis on strength of character, nobility of ambition, keenness of perception, sound judgement and duty to God and man.

Our philosophy is to challenge and to motivate every student accepted to prepare himself for service to humanity and to his God. As the student comes to understand the true purpose of education, he also gains a keener insight into his own nature and destiny, and, is therefore more capable of responding to the rhetorical questions — "Who, What, Where, and When?" or as Shakespeare put it, "What is this Quintessence of dust?"

The students pursue majors in biology, business administration, business education, chemistry, elementary education, English, food and nutrition, history, home economics, mathematics, medical technology, music, nursing (Associate in Science degree), psychology, religion, social work, and sociology. After thorough preparation many pursue advanced study elsewhere, and they participate in secular, professional and religious activities in various parts of the United States as well as in foreign lands.

ADELL WARREN

INTER-OFFICE MEMORANDUM
OAKWOOD COLLEGE

To: Miss Candace Pullins

From: A. Warren, Business Manager

Date: 11/1/79

Subject: Information for Yearbook

Copies to:

See following per your request

Full Name: Adell Warren

Degree: B.S. (With advanced work on M.A. in Urban Studies)

Number of Years at Oakwood: 27 years

Size of Family: 3 children

Wife's Maiden Name: Ruth Ann Jones

What Does the Job of Business Manager Entail?

The Business Manager is responsible for the fiscal management and coordination of the various fiscal activities of the institution - such as, accounting and financial reporting, purchasing, investment management, physical plant facilities, management of auxiliary enterprises, auditing, legal services and coordination of fiscal activities with the requirements of other administrative officers in order to improve the services and efficiency of the fiscal operations. He is also responsible for making recommendations to the president in matters of physical plant expansion and budget preparation.

What are your plans for the future?

Work on the urban problems of our nation.

What advice would you give to the student body?

"If any of you lack wisdom, let him ask of God, that giveth to all men liberally. . ."

A student is many things. He/she is personality, potentiality and persuasiveness; He/she is laughter, loquacity and liberality; He/she is articulate, ambitious and adventuresome; He/she is determined, devoted and durable; He/she is intellectual, industrious and intuitive; He/she is spiritual, sagacious and scholarly; and if he or she has been a part of the Oakwood experience during the 1979-80 school year, He/she is also favored, fortunate and famous.

Of course, most of the descriptions above might well apply to the Oakwoodite of any year or era, but there are special reasons why the student of this current school year can lay claim to favor, fortune and fame:

Favor — because God has blessed the efforts of all 1,291 who started the school

year in September, 1979 with material and spiritual vitality sufficient for success in a rigorous academic program.

Fortune — because your sojourn here is at a time when Oakwood is enjoying its finest hour of spiritual, material and academic achievements. Of course, we stand upon the shoulders of giants who have built before us, and we must never forget that we are indebted to them and to our loyal church administrators, our alumni and constituency for their quality of facility and programming.

Fame — because this is a year of transition, a memorable year in history. In the course of the year we shall leave the soaring seventies (a decade in which we reached and surpassed our 1,000 student enrollment goal and graduated over 1,300 students) and march into the excit-

ing eighties. We now enter a special period of our common history — the last fifteen years of a full century of existence — as an institution chosen and mandated by God.

We do not wish for an extended stay in this world. Our hope is anchored in the school of eternity; but should time last, let the record show that together we worked and played and studied and prayed — here on these hallowed grounds — during Oakwood's hour of high destiny and meaningful transition. And if time should not last beyond our day, it will be sufficient that heaven record our names as they who were happy participants in the greater transition from here to eternity.

It all started the last week of August with the arrival of the Freshmen and New Students for Freshmen Orientation. Activities ranged from chapel sessions and testing to socials, a banquet and a Fashion Show. With the arrival of the upperclassmen, came the final registration and the beginning of classes. Getting used to going to class wasn't nearly as hard as the adjustment to communal living and cafeteria food. But it was all a part of college life.

A high point of the quarter was the trip to Bible Conference. Approximately 60 delegates boarded buses and spent three days at Indiana Creek Camp. All who went were blessed and those who stayed were anxious to hear the account of what happened. We blessed the conference with music rendered by Aeolian members under the direction of Mrs. Alma Blackmon.

The snow fell and beautifully blanketed the campus. That is, until our students waged war in a snow fight. Fatalities were low, and spirits soared high. Surely the country folk were taught a few things that day.

The ladies of the Oakwood College Campus often complain of the "lack of quality young men" on the campus. Well, one day we choked on our words as the "gentlemen" dedicated an entire day to us from breakfast to supper accented by red roses. After a beautiful day like that, surely they're not all bad.

MUSIC IN THE MAKING

Oakwood College is well represented by its musical groups. The touring choir, Aeolians, under the direction of Mrs. Alma Blackmon, is comprised of about 52 members. This year, they traveled to the meeting of the General Conference in Dallas, Texas, as well as the ACHE Choir Festival which was held in Birmingham, AL. The College Choir, comprises nearly 100 members, and is directed by Miss Eurydice V. Osterman. They Perform Primarily for church and campus related activities, and in the general Huntsville area.

Our Man at the TOP!
Randy Skeete

And so another year has passed. At whatever place we may be in the years of our College experience, surely we have all done some growing. The good, we will always remember. The bad, we will always reflect upon, at least as reminders of what not to do in the future. In everything, we will give thanks.

Hopefully, some portion of the activities of the school year that affected you will be found in this annual. If not, maybe next year, you will be a little more sociable, or the staff a lot more mobile. Whatever the case may be, we hope that you enjoy this compilation of activities and pray that good fortune always be yours. When the skies are gray or the outlook dreary, remember the following, and the good times at Oakwood College, September 1979-May 1980.

"Prayer is the answer to every problem in life."

It puts us in tune with divine wisdom which knows how to adjust everything perfectly. So often we do not pray in certain situations, because from our standpoint, the outlook is hopeless.

But nothing is impossible with God.

Nothing is so entangled that it cannot be remedied; no human relationship is too strained for God to bring about reconciliation and understanding. No habit so deep rooted that it cannot be overcome; no one is so weak that he cannot be strong. No one is so ill that he cannot be healed. No mind is so dull that it cannot be made brilliant.

Whatever we need, if we trust God, He will supply it.

If anything is causing worry or anxiety, let us stop rehearsing the difficulty and trust God for healing, love and power.

STUDENT LIFE

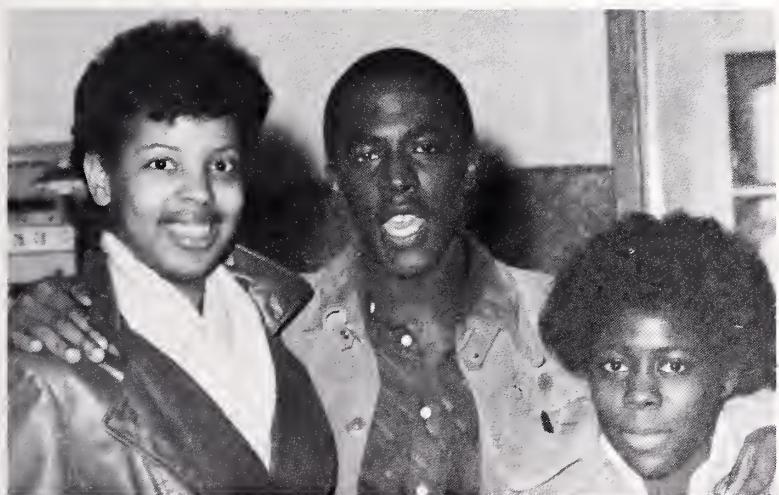

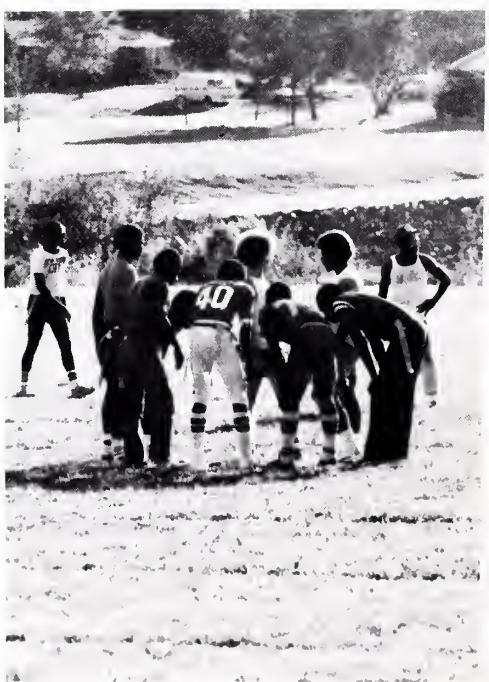

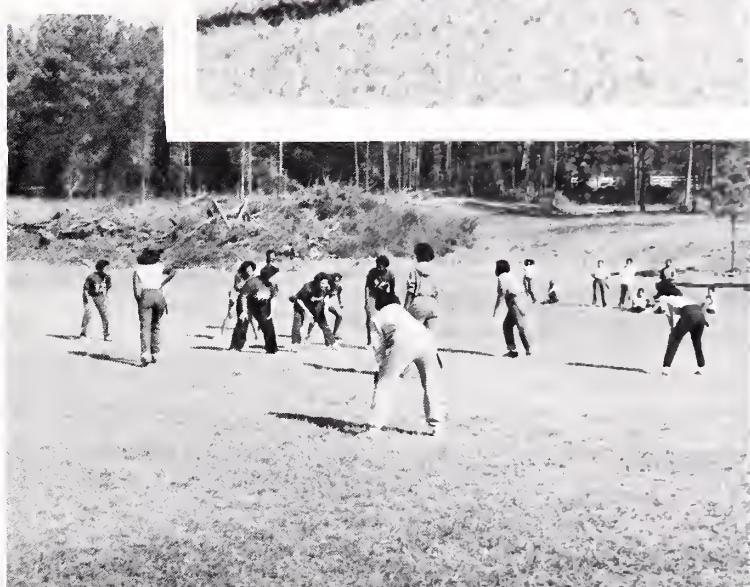

Do you remember, the days in September? The trees are quickly yielding to the annual festivities preparing for the cold winter months ahead. Beautiful Autumn colors burst from the limbs which once had that sweet innocence of the springtime and its love, and the long humid months of socalled "fun and frolicking in the good ol' summertime."

I hear strange noises in the distance ... Excuse me while I investigate. No, it couldn't be. But it is, intramural football at Oakwood College ... Hut 1, hut 2 ... the ball is snapped. The battle begins. The QB falls deep into the pocket. He has a receiver open. There's the throw. The attempt is unsuccessful, incomplete. There's the huddle. Hut 1, hut 2. It's a sweep! No, it's a fake. The QB is back in the pocket and goes to the air. It's a TD!!! The crowd goes wild. There's the extra point and it's no good. With only seconds left in the game, there's the last kickoff. It's an exciting runback. He is at the 20 ... the 30 ... the 50 ... 20 yards to the goal ... 10 yards, OOPS, he tripped. One second left and the game is over. Another unsuccessful battle to victory losing by only 11 to 12 at the goal line with the teammates looking on as if to say "Why me?"

Now that the game is over and everyone is leaving, ... that's strange, it's still noisy. Now wonder, it's the females playing intramural football. The crowd seems rather enthused, and rightly so. Here we find one team in a little prayer service. Goofing off during the game we see the line judge and the referees. Is this how the girls play? As we look at a few highlights of the game we find there are a few exciting runbacks and some awesome catches. Wow, a time out just to rest? Looking on we can plainly see that great blocking by the offensive line helped to form this outstanding play and catch which, incidentally was muffed into this interception, leading to the runback. Because of that turnover, quick thinking, and good coaching, it seems as if this team has now won the right to say that they are Number 1.

With the end of the season came the end of the quarter and the winter months. Winter months mean cold weather and indoor sports. WE NOW TAKE YOU ALMOST LIVE TO ASHBY SQUARE GARDEN. Here we find an exciting game of basketball in the WIB Division. As we step into the door, LOOK OUT! A mad dash and mean scrabble for the ball almost got you injured. Strangely enough, there seems to be numerous injuries on the floor. But ever more strange, they all get up and continue to play. Again the race is on. A quick pass to a teammate for the easy layup a-n-d i-t-s GOOD! When will the game end? Quickly the ball is taken back to the other end. The shot is up, the crowd is up, and the ball falls neatly through the net. The coach and other bench personnel watch as Denise and Beverly tie up the ball. But the ball is lost, and LOOKOUT! another mad dash. This time there was a foul called. The first shot is up. It was good but the second missed. The game was very close but with this shot, it's out of reach. At last despiration, they are caught still dribbling when the buzzer sounded.

Volleyball at Oakwood definitely has its ups and downs. That could keep you off the ground and alert. Sylvia server, and the volly begins. One, two, over, over, over . . . one over. The heat is on. How lucky for this team that Speedy and Shelley were alert. The game is very interesting to play or even to watch. Strangely enough, volleyball, being the third most interesting sport at OC, has an average fanfare of about only 20 people. Unfortunately, this number also includes the individual team members, on and off the court. All this may be true, but it's still one of the most exciting games at OC.

This year, another function of the Intramural Season was the organization of Cheerleading Squads. Though there were six A-League teams, only three cheerleading squads were organized. Competition was held for the cheerleaders last Monday night. Three categories were chosen for the Cheerleading competition: 1. First Place; 2. Second Place; and 3. The Most spirited Squad.

Awards for Cheer-leading:

1. First Place:
the "BULLETS" Cheerleaders!

3. Most Spirit

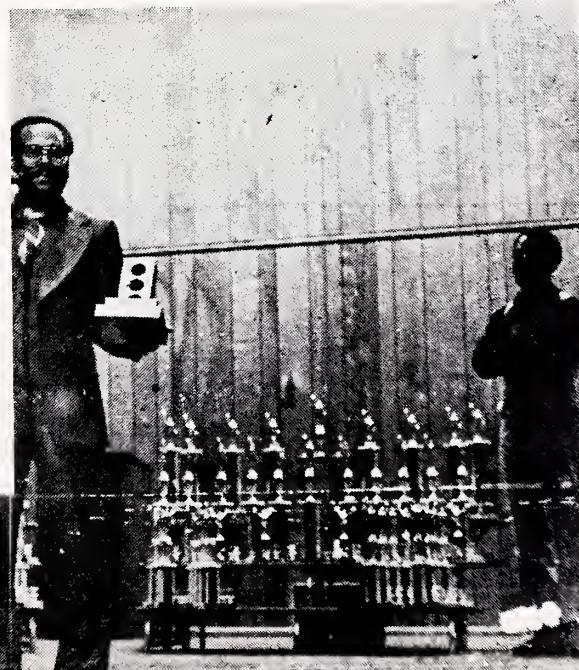

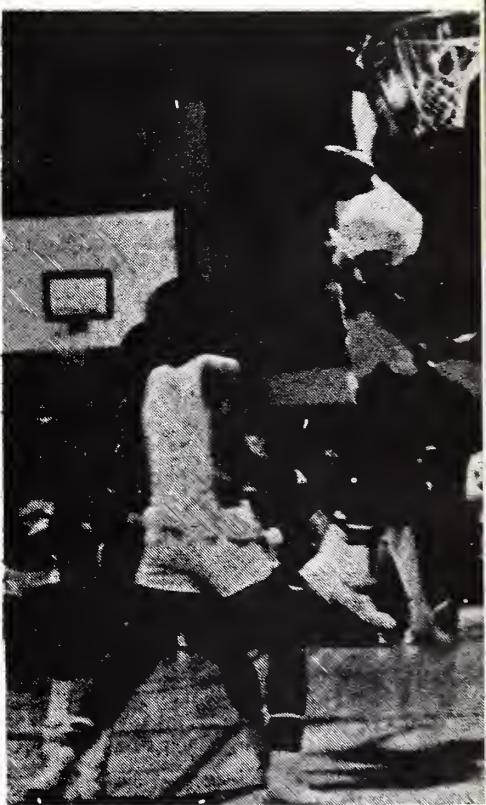

Members:

Sheila Moses
Mildred Astacio
Yvette Rhone
Marcia Gentry
Angela Hicks
Georgetta Rainey

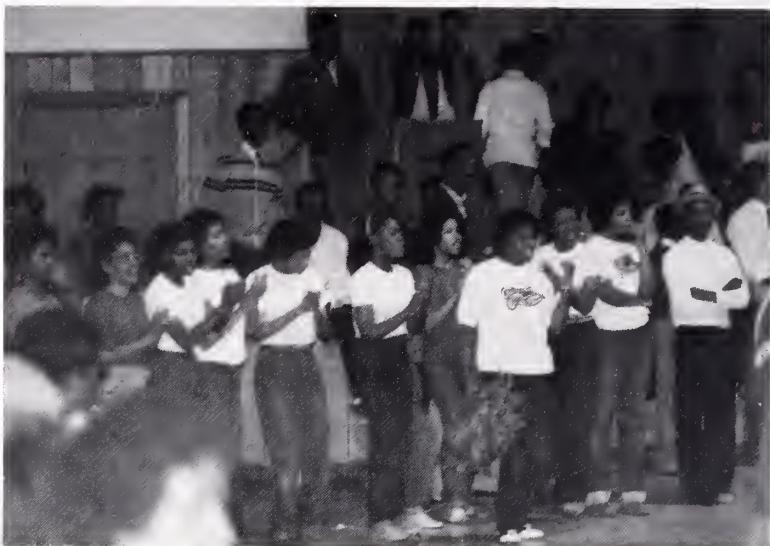

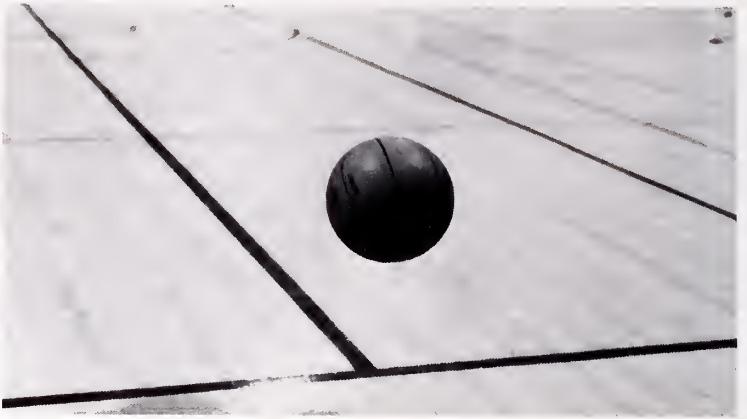

4. Most Spirited Cheerleader:
